

Mathieu SALAÜN

**Birth:** 10<sup>th</sup> April 1982, Brest

**Nationality:** French

**Family status:** Married, 2 children

Maître de conférence section CNU 33 (Associate Professor)

Université Grenoble Alpes (UGA)

Institut Néel, 25 rue des Martyrs BP 166 38042, Grenoble, France

Telephone: +33 4 76 88 90 16 / +33 6 07 97 00 77 Fax: +33 4 76 88 10 38

*Research profile:*

- Synthesis of rare earth-free luminescent materials for lighting by soft chemistry.
- Elaboration of epitaxial thin films by pulsed laser deposition for nonlinear optic.

*Teaching profile:*

Thin films (Master)	2021-Present (Responsible)
Material Science (License 2 <sup>nd</sup> year)	2021-Present (Responsible)
Experimental Chemistry (License 2 <sup>nd</sup> year)	2016-2020 (Responsible)
Crystallography (License 1 <sup>st</sup> and 3 <sup>rd</sup> Year)	2016-Present
Aqueous Solution Chemistry (License 2 <sup>nd</sup> year)	2014-Present
General Chemistry (License 1 <sup>st</sup> year)	2015-2020

Career

**2013** Associate Professor at Université Grenoble Alpes

**2010-2013** Post-doc. Laboratoire des Technologies de la Microélectronique (LTM), CNRS, Grenoble, France.

**2008-2010** Post-doc. Tyndall National Institute, Cork, Ireland.

Education

<b>2008</b>	PhD (Material Science)	Grenoble INP, France
<b>2005</b>	MSc (Solid Chemistry and Material)	Université de Rennes 1, France
<b>2002</b>	Technical University Diploma (Material Science)	Université de Rennes 1, France
<b>2000</b>	Baccalaureate (Physics and chemistry)	Lycée Vauban, Brest, France

Responsibilities

**2015-2024** Member of the Chemistry and Biology faculty council, HR commission since 2022

**2023-Present** Responsible of the chemistry part, Licence Physical-Chemistry (3<sup>rd</sup> year)

PhD Students supervision

**Actual (1):** Adrien Clavel (2023-26)

**Graduated (2):** Pierre Gaffuri (2017-2021); Jeremy Cathalan (2019-2022)

#### Bibliometric

**Production:** 1 patent, 42 publications in journals with peer review, 4 invited international conferences, 30 international conferences (21 oral communications, 9 posters), 13 national conferences (10 oral communications, 3 posters)
