

PERSONAL INFORMATION

Hamid OUGHADDOU

Full Professor (C.EX1) at CY Cergy Paris University, France
Institute of Molecular Science of Orsay (ISMO), CNRS, France
Paris-Saclay University, France

EDUCATION

- **2005** – Habilitation to Supervise Research (HDR) in Material Sciences
Faculty of Sciences, Physics Department, Aix-Marseille University, France
 - **1999** – PhD in Material Sciences
Faculty of Sciences, Physics Department, Aix-Marseille University, France
 - **1995** – Master's Degree in Material Sciences
Faculty of Sciences, Physics Department, Aix-Marseille University, France
-

CURRENT POSITIONS

- **2023–Present** – Director, Physics Department, CY Cergy Paris University, France
 - **2007–Present** – Full Professor, Physics Department, CY Cergy Paris University, France
 - **2010–Present** – Head of 2D Materials Group, ISMO, CNRS, Université Paris-Saclay, France
-

PREVIOUS POSITIONS

- **2021–2023** – Deputy Director, Physics Department, CY Cergy Paris University, France
 - **2008–2010** – Associate Researcher, CEA-Saclay, France
 - **2003–2007** – Researcher, CInaM-CNRS, Marseille, France
 - **2001–2003** – Assistant Professor, Physics Department, Aix-Marseille University, France
 - **2000–2001** – Postdoctoral Researcher, Physics Department, INFN, University of Genoa, Italy
-

FELLOWSHIPS

- **2000–2001** – Postdoctoral Fellowship, Physics Department, INFN, Genoa, Italy
 - **1995–1999** – PhD Fellowship, Ministry of Research and Education, Morocco
-

RESEARCH IMPACT

- **Publications:** 86 peer-reviewed papers and 1 patent
 - **Citations:** 5,800 (Scopus)
h-index: 27 | **i10-index:** 47
 - **Invited Talks:** 29
 - **Organization of Conferences/Workshops:**
7 international conferences and 3 workshops
-

LEADERSHIP IN INTERNATIONALISATION OF RESEARCH

- **2010–Present:** President of STARM Network (Science, Advanced Technology and Research for the Mediterranean), recognized as a public utility
 - **Initiator & Chair,** EMCMRE (Euro-Mediterranean Conference on Materials and Renewable Energies). ~200 participants
Organized editions: Marrakech (2011, 2015, 2017, 2019, 2022, 2024); Istres/Marseille (2013)
 - **Initiator & Organizer,** IMS (International Meeting on Silicene) ~70 participants
Organized editions: Safi and Marrakech (2009, 2011), Istres/Marseille (2013), Beijing (2014), Orlando (2016), Paris (2018)
 - **Chair,** 1 Summer School in Algeria (~70 participants)
-

EDITORIAL AND REVIEWING DUTIES

- **Editorial Board Member**
 - *Journal of Applied Sciences* (2013–present)
 - *International Journal of Metals* (2013–2017)
 - **Reviewer** for international peer-reviewed journals including *Nature*, *ACS*, *Advanced Materials*, *Nano Letters*
 - **Funding Agencies Reviewer**
 - European Research Council (ERC-StG, 2019)
 - French National Research Agency (ANR, 2016–2017)
 - Czech Science Foundation (GAČR, 2015)
-

MEMBERSHIPS IN SCIENTIFIC SOCIETIES

- **2013–2018** – Expert, French National Observatory of Micro and Nanotechnologies (OMNT)
-

TRAINING AND ADVANCEMENT OF YOUNG SCIENTISTS

- Supervised: 10 PhD students, 2 postdoctoral researchers, 8 graduate students
- Participated in 24 PhD defense committees
